@ConnectionsC4

Arhant Awale, Columbus North freshman, focuses on creating portfolio websites to showcase his current and future projects in his Intro to Animation class. Arhant is also working on a personal project to learn more about Blender, the software predominately used in the animation classes.

By: Meredith K...

Dalton Foley guides **Jayla Nelson**, a first year Precision Machining student, through the process of creating her one-inch game dice. Jayla is a sophomore at Columbus East.

Todd Gant's Intro to Construction class demolished a pre-existing construction project in the lab at Columbus East. Their goal was to work on clean, precise teardown.
