

# E-nnouncements

Friday, November 11, 2022 Volume 23 Issue 13

C<sup>4</sup> will connect community resources to provide career education for all students while laying the foundation for life-long learning.

@ConnectionsC4

Thank you, Michael Paprocki (Computer Network and Cyber Security Teacher) for your 7 years of service with the IN National Guard (96R Ground Surveillance Radar Operator).

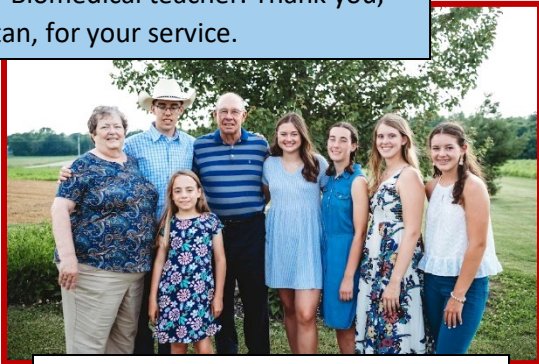

Thank you, Brian Plummer, for 8.5 years of service in Air Force as a 93<sup>rd</sup> Bomb Wing Commander. Brian teaches Intro to Transportation.

Stan Meyer served as an Army mechanic during the Vietnam War. He later taught Machine Trades at C<sup>4</sup> for 36 years and is father to Jennifer Steinwedel, C<sup>4</sup> Biomedical teacher. Thank you, Stan, for your service.

Thank you, Jay Bonnell, for your service in Iraq in the Infantry Bradley Unit. (Bradley Vehicles are powered by Cummins engines.) Jay is brother to Amy Jackson, C<sup>4</sup> Data Specialist.

Stan Meyer, 3<sup>rd</sup> from left, with his wife Nancy, and their grandchildren.

For several years, C<sup>4</sup> has partnered with Our Hospice of South Central Indiana to make plaques for veterans who are in hospice care. The students take pride in making these, knowing they are going to the veterans and their families. The plaques are cut out and routed by Construction students and engraved by Machining and Graphic Design students.
