CONGRATULATIONS to C⁴ students who participated in the FFA Parliamentary Procedure Contest. They took first place at the district contest and move on to the sectional contest in January! This is the first time in 6 years the Columbus team has won district. Kudos to **Kellen Hottell, Riley Carothers, Betsy Hoene, Gus Brockhaus, Delaney Cooney, Corbin Beverly, and Jenna Thomas**. The Parliamentary Procedure Leadership Development Event (LDE) evaluates students on their ability to conduct an orderly and efficient meeting using parliamentary procedure. Participants are judged on their knowledge of parliamentary law and their ability to present logical, realistic, and convincing debate and motions.

The FFA team, practicing their procedures a few days before the competition.

You may have met Culinary Art students at the Christkindl Market in Nashville, Indiana this past weekend. They created and sold baked goods to support their scholarship program and assist with student competition expenses. Despite rainy weather on Friday, the overall weekend turnout was good.

Automotive Technology students **Cody Eisenmenger** and **Merrick White** paused to chat with the winners of a C⁴ Oil Change, after completing the job at Columbus East. These community members won the drawing at this year's Bartholomew County 4H fair. This summer, be sure to come find the C⁴ STEM trailer to participate in fun activities and enter to win prizes donated from various C⁴ programs.
