Special Events!

The past couple of weeks have been buzzing with C⁴ events, from Course Fairs to the Annual Open House!

The Course Fairs at Columbus North and Columbus East offered an opportunity during the school day for 8th and 9th graders from all over the community to visit and check out the variety of C⁴ programs. Student Ambassadors from each C⁴ Pathway designed a booth display with activities and demonstrations for the younger students to learn about what their pathway has to offer.

The evening C⁴ Open House was available to anyone in the community and surrounding areas. Teachers and Student Ambassadors opened their classrooms and lab areas to visitors, sharing the news about the classes and opportunities that C⁴ offers.
