October 6, 2023
Vol. 24 Issue 5

C⁴ Dental Careers II students Alek Tong, Sarai Rodriguez, and Kierra Edwards had the opportunity to assist the Bartholomew County Dental Hygienist. They went to St. Peter's Lutheran Elementary and Middle School where they screened 2nd, 5th, and 7th grade students and taught proper oral hygiene skills. It was a great opportunity to share the knowledge they've learned in the classroom while helping youth in the community.

HAND WRITTEN AND ILLUSTRATED

»»» EDUCATION PROFESSIONS

Education Professions students wrote and illustrated their own children's books. After completion, the students presented them to their classmates. Some students brought props that went along with their books to make it more fun! There were stories about sharks, caterpillars, and stories written in both Spanish and English. In the words of Dr. Seuss, "The more that you read, the more things you will know. The more that you learn, the more places you'll go."
