Meningococcal Conjugate Vaccine

All students entering the 12th grade shall show proof of having received two doses of Meningococcal Conjugate Vaccine prior to entering the 12th grade. Only one dose is required if the first dose was received at 16 years of age or older.

Minimum intervals for administration: The first dose received on or after the 11th birthday and the second dose on or after the 16th birthday and an interval of at least eight weeks after the first dose. Only one dose is required if the first dose was received at 16 years of age or older. No proof of immunity allowed.

This completed form can be:

- Mailed to Mother McAuley High School, Attention: School Nurse
- Scanned and sent via email to agruber@mothermcauley.org
- Faxed to the Main Office at 773-881-6624

It is important to note this documentation is required prior to the first day of school. For documentation you may use the form below. Your healthcare provider may use their own form. If you have any questions, please send an email to nurse@mothermcauley.org
