Committee Updates:

- You can call a meeting before the next scheduled meeting if needed as a committee member
- Putting in a request for a proposal does not automatically mean it will be approved
- Mr. Golden asked about his 22 for 22 initiatives. He is bringing in 22 students for 22 minutes during the lunch period. Gives a chance for students to give feedback about the school. Give students the opportunity to know their principle. Mr. Golden wants us to incorporate lunch for the students (i.e. pizza) in the budget.
 - First proposal; delegate budget dollars for the 22 for 22 meals. The committee shared that food nor gift cards can be purchased. Yet they would like to support and consider other ways to contribute.
- Ms. McArthur will send an email for the committee members to sign up for a committee

Thus far:

- Next meeting November 9th, 2023 @ 5:00 PM.
