20. Helpful Tips for Mailing Payments or Bank Bill Pay

- Please include your 13-digit Family ID in the memo section of the check or money order (a payment stub is not necessary).
- Do not include any additional paperwork with the payment (letters, Post-it notes, staples, paperclips, etc.). Additional items will delay the processing of your payment.
- Please send payments 7-10 days before your due date. If there is a holiday, please add 3-4 days.
- If there are fewer than 7-10 days before your due date, please consider paying via our website at parent.blackbaud.school. You can also use our automated telephone service to make a payment. Both these solutions eliminate delays in processing your payment. You can pay online or over the phone using your checking or savings account.
- Make checks payable to Blackbaud Tuition Management.
- Blackbaud Tuition Management does accept some online bill payments electronically. However, some banks will still send payments as a physical paper check through the USPS mail. If you have any questions about whether your payment will be sent electronically by your bank, please contact your bank directly.
- Once a payment has been sent by physical paper check, it cannot be stopped. If you decide to stop the payment with your bank, a failed bank fee will be incurred on your Blackbaud Tuition Management account.
- If you plan to use your bank’s online bill payment service, please include your 13-digit Family ID without letters, spaces, or characters.
