THE WARDLAW+HARTRIDGE SCHOOL

Laptop Program Agreement

Please sign this form and return it by August 15, 2024 only if you will be providing a laptop of your own choice.

Student Name (Please Print): _____ Grade _____

The undersigned parent agrees that the Wardlaw-Hartridge School requires all Upper School students to participate in the Wardlaw-Hartridge School “Anywhere, Anytime Learning Program” and will provide his/her child with a laptop for use during each school day to enable them to fully participate in this program. Wardlaw-Hartridge will allow the use of your own computer for use in this program with the understanding of the following:

- All laptops must always have Wardlaw-Hartridge’s selected anti-virus software (PC only) and a version of Office (PC/Mac) or Pages, Numbers, and Keynote (for Mac only) installed. Printer installations will be done at the student orientation for all 9th graders and new students.
- W-H will install our site-wide licensed software and printer drivers on all laptops.
- All repairs will be solely the responsibility of the parent regardless of the cause of the damage.
- Because all students must have a laptop with the proper software installed for their classes, W+H will rent your child a replacement laptop to be billed at \$10 for each day while outside repairs are being performed. This service is subject to availability with priority given to those students who purchased laptops through the school program.
- A broken laptop will not be a viable excuse for late or missing assignments or for not being able to participate in class activities
- The School will not provide loss or theft insurance for your child’s laptop either at school or at home. The parent is encouraged to cover the equipment through their homeowners insurance policy.
- The parent agrees that the machine will be used in accordance with the school’s acceptable use policy.

I, the parent or guardian of the above student, will provide a laptop for my child for daily use at school and fully understand and will abide by the policy listed above.
