Reposted Date: March 11, 2024
Posting Removal Date: March 25, 2024 (or until filled)

POSITION: Registered Sanitarian (2 Open Positions)
DEPARTMENT: Health Department
HOURS OF WORK: Full-time (35 hours/weekly) Monday, Tuesday, Thursday 8:30 AM – 4:30 PM;
Wednesday 8:30 AM – 7:30 PM; Friday 8:30 AM – 12:30 PM. Evenings as required.
SALARY: CAF H-10 \$1,370.66-1,541.58 weekly (Non-Union)

BASIC FUNCTION:

Performs Inspection and technical work in the enforcement and interpretation of applicable State and local City of Medford codes relating to sanitation, and environment/public health practices and principles. Provides advocacy for the protection and advancement of public health and safety.

RESPONSIBILITIES:

- Conducts necessary public health inspections regarding food sanitation compliance at locations including markets, retail food stores, restaurants, catering food service vehicles, and bakeries.
- Conducts housing inspections for compliance with Chapter II of the Massachusetts Sanitary Code.
- Conducts environmental investigations of potential public health and safety problems, such as garbage, trash, pests, and sewage, and other potential public health violations, in response to complaints or observations.
- Responds to complaints; prepares reports of investigations and prepares materials for court action.
- Provides inspections and enforcement in compliance with state and local codes.
- Process permits applications in accordance with State Sanitary Code and Board of Health Regulations.
- Issues citations and makes appearance in court or at in-house Municipal Code hearings in cases of noncompliance with State Sanitary Code.
- Prepares required reports in compliance with state requirements to ensure that the Board of Health has sufficient documentation and assists in maintaining department files and information.
- Drafts enforcement orders to responsible parties and assists with necessary legal action.
- Conducts environmental investigations of swimming pools, bathing beaches and air and noise pollution complaints.
- Reviews plans for construction of septic systems, pursuant to Title V.
- Provides educational seminars to food establishments and other related businesses, as necessary.
- Reviews plans for new restaurants, tanning salons, swimming pools, Body Art establishments and other related businesses.
- Assists in developing proposed new bylaws and regulations dealing with environmental and public health concerns.
- Reviews bacteriology reports and reviews water quality reports at least weekly for recreational waters during the bathing season between Memorial Day and Labor Day.
- Prepares guides and other public information materials to inform the public and interested parties of the various regulations.
- Maintains knowledge and expertise of new developments in the fields of environmental and public health.
- Performs other related duties as required.
