

Law and Public Service Public Service Endorsement

The Law and Public Service Career Cluster focuses on planning, managing, and providing legal services, public safety, protective services, and homeland security, including professional and technical support services. Students will examine the roles and responsibilities of police, courts, corrections, private security, and fire and emergency services.

FIRE SCIENCE (Dual Credit)

The Fire Science program of study focuses on training CTE learners to respond to emergency situations, such as medical emergencies and fire-based emergencies. Students will learn how to prevent emergencies, respond appropriately and in accordance with rules and regulations during crises, and investigate and delineate the source of the emergency.

Courses

Principles of Law, Public Safety, Corrections, and Security

Business Information Management (BIM) I

Counseling and Mental Health

Anatomy and Physiology @ San Jacinto College
Emergency Medical Technician @ San Jacinto College
Practicum in Law, Public Safety, Corrections, and Security @ San Jacinto College

Postsecondary Opportunities

Associates Degrees

- Emergency Medical Technology/Technician (EMT Paramedic)
- Fire Prevention and Safety Technology/Technician
- Fire Science/Firefighting

Bachelor's Degrees

- Emergency Medical Technology/Technician (EMT Paramedic)
- Natural Resources Law Enforcement and Protective Services

Work-Based Learning and Expanded Learning Opportunities

WORK BASED LEARNING AND EXPANDED LEARNING OPPORTUNITIES

Exploration Activities:

Health Occupation Students of America (HOSA)

Work Based Learning Activities:

Volunteer at a hospital or a fire station

Aligned Occupations

OCCUPATIONS	MEDIAN WAGE	ANNUAL OPENINGS	% GROWTH
Fire Inspectors and Investigators	\$54,787	161	14%
Firefighters	\$50,149	2,309	13%
Emergency Medical Technicians	\$34,091	1,880	31%

Successful completed of this program of study will fulfill requirements of the Public Service Endorsement. Approved Statewide Program of Study. C. E. King High School – 2024-25

Fire Science

Course Information

Level 1

Principles of Law, Public Safety, Corrections, and Security

13029200

Grade: 9-10

Credit: 1

Principles of Law, Public Safety, Corrections, and Security introduces students to professions in law enforcement, protective services, corrections, firefighting, and emergency management services. Students will examine the roles and responsibilities of police, courts, corrections, private security, and protective agencies of fire and emergency services. The course provides students with an overview of the skills necessary for careers in law enforcement, fire service, protective services, and corrections.

Business Information Management I

13011400

Grade: 9-12

Credit: 1

Recommended Prerequisite: Touch Systems and Data Entry

In Business Information Management I, students implement personal and interpersonal skills to strengthen individual performance in the workplace and in society and make a successful transition to the workforce and postsecondary education. Students apply technical skills to address business applications of emerging technologies, create word-processing documents, develop a spreadsheet, formulate a database, and make an electronic presentation using appropriate software.

Level 3

Counseling and Mental Health

13024600

Grade: 11-12

Credit: 1

Recommended Prerequisite: Principles of Human Services OR Principles of Law, Public Safety, Corrections and Security

In Counseling and Mental Health, students model the knowledge and skills necessary to pursue a counseling and mental health career through simulated environments. Students are expected to apply knowledge of ethical and legal responsibilities, limitations, and the implications of their actions. Professional integrity in counseling and mental health care is dependent on acceptance of ethical and legal responsibilities.

Emergency Medical Technician – Basic @ San Jacinto College

N1303015

Grade: 12

Credit: 2

Prerequisite: Biology

Emergency Medical Technician (EMT)—Basic instructs students to meet and exceed standard knowledge needed to be a valid Emergency Medical Technician. The curriculum includes skills necessary for a student to provide entry level emergency medical care, life support, and ambulance service.

Level 4

Anatomy and Physiology (Satisfies a science credit) @ San Jacinto College

13020600

Grade: 11-12

Credit: 1

GPA: 6.0

Prerequisite: Biology and Chemistry; may be taken concurrent with Physics for STEM endorsement

In Anatomy and Physiology, students conduct laboratory and field investigations, use scientific methods during investigations, and make informed decisions using critical thinking and scientific problem solving. Students in Anatomy and Physiology study a variety of topics, including the structure and function of the human body and the interaction of body systems for maintaining homeostasis.

Practicum in Law, Public Safety, Corrections, and Security @ San Jacinto College

13030100

Grade: 12

Credit: 2

Prerequisite: 1 credit in a Law and Public Service course

The practicum course is designed to give students supervised practical application of previously studied knowledge and skills in law, public safety, corrections, and security. Practicum experiences can occur in a variety of locations appropriate to the nature and level of experience.
