

The School Plan for Student Achievement

School: Leffingwell Continuation High School
CDS Code: 40-75465-4030144
District: Coast Unified School District
Principal: Edward Arrigoni
Revision Date: January 20224

The School Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

For additional information on school programs and how you may become involved locally, please contact the following person:

Contact Person: Ed Arrigoni
Position: Principal
Phone Number: (805) 927-3889
Address: 2950 Santa Rosa Creek Rd.
Cambria CA, 93428
E-mail Address: earrigoni@coastusd.org

The District Governing Board approved this revision of the SPSA on .

School Vision and Mission

Leffingwell Continuation High School's Vision and Mission Statements

Based on the Dashboard Alternative School Status Program, all students at Leffingwell High School will become prepared for 21st century college and career opportunities, supported by all stakeholders to achieve high school graduation success.

School Profile

Leffingwell High School is one of four schools in the Coast Unified School District. Curriculum is focused on real-life learning skills and preparation for post-secondary education and employment in the community. Enrollment at Leffingwell during the 2023-24 school year is currently nine students.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Leffingwell High School greatly benefits from its supportive parents who are in regular contact with the school. Student and parents participate in regular conferences. Every six weeks, 1/2 of the students have a parent teacher conference, with all parents, teachers and students having a conference during a 3 month period. During parent-teacher conferences, stakeholder input is gathered. Additionally the parents and student provide regular feedback informally via email, phone calls or in-person conversations. Parent input is also gathered during school-site council meetings.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Classroom observations are regularly occurring throughout the year at Leffingwell. These observations are both formal/scheduled observations as well as informal "drop ins". All teachers participate in goal-setting meetings with the principal at the start of the school year and observations are focused on progress toward meeting these individual teacher goals, as well as progress toward school and district goals. The high school counselor regularly monitors student progress and keeps the students informed about the college registration process, credits accumulated and community service opportunities. Parents attend conferences every three months.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

1. Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Assessments used to modify instruction and improve student achievement include statewide assessments (ELPAC, CAASPP), the NWEA school-wide assessment and teacher-created formative and summative assessments.

2. Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Students at Leffingwell High School are on an Individualized Credit Assessment Program and meet each grading period to monitor progress towards graduation.

Staffing and Professional Development

3. Status of meeting requirements for highly qualified staff (ESEA)

All teachers are highly qualified and are credentialed in their areas of instruction.

4. Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Leffingwell High School has sufficient access to instructional materials. Both hardcopy and digital materials are utilized. Early release Wednesdays are used as opportunities for professional development and teacher/staff collaboration with Coast Union High School. Other professional development opportunities are scheduled throughout the year covering a variety of topics (technology in education, common core implementation, classroom management strategies, English Language Learner strategies, etc). Additionally, credentialed teachers meet daily to discuss curriculum development and implementation.

5. Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Student performance and teacher needs are assessed as the basis for professional development offerings.

6. Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

Beyond professional development and trainings, teachers are given additional support through constructive feedback from colleagues and administration, along with collaboration time with staff from Coast Union High School.

7. Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

There are no department meetings at Leffingwell because of its small size, however the teacher attends Coast Union High School staff meetings and is able to collaborate with teachers at CUHS on a regular basis. However, both teacher discuss curriculum daily and co-teach multiple subjects.

Teaching and Learning

8. Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

All curriculum and instruction at Leffingwell is aligned to the California Common Core State Standards. Leffingwell uses the state minimum graduation requirements and offers courses to meet them. Courses offered include English, Government/Economics, Algebra 1, Geometry, Marine Biology, Art, Physical Science. English class placement is based on NWEA data. Additionally, elective credits are aligned with career and personal goals. All students are on an independent contract to meet the 270 credits required for graduation. Students are also required to complete a community service obligation of 60 hours. Curriculum is aligned to career and college goals.

9. Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

N/A

10. Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

N/A

11. Availability of standards-based instructional materials appropriate to all student groups (ESEA)

All students, including English Learners and students receiving 504 services, are instructed using standards-based instructional materials that mirror those used at CUHS.

12. Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

All courses and materials are standards-aligned, including intervention courses and materials and have been approved by the Coast Unified School Board.

Opportunity and Equal Educational Access

13. Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Services provided by the regular program that enable underperforming students to meet standards include the use of school-wide, research-based instructional practices, and multi-modality instruction (instruction given visually, auditorally, kinesthetically, high use of technology). Student teacher ratio at continuation high schools is capped at 15:1, allowing for individualized instructional programs for all students.

14. Research-based educational practices to raise student achievement

Research-based curriculum and instructional practices are implemented school-wide. Students also partake in project-based learning with many hands-on projects and community service projects conducted on campus. Students also participate in research-based social-emotional curricula as well as weekly group and monthly individual counseling.

Parental Involvement

15. Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Leffingwell High School greatly benefits from its supportive parents who are in regular contact with the school. The school also benefits from several community partnerships, including Friends of Fiscalini Ranch Preserve, Greenspace, Cambria Services District Fire Department, Coastal Discovery Center.

16. Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

School staff and stakeholders meet regularly to discuss school needs, goals and progress, whether in conferences or School Site Council meetings.

Funding

17. Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Coast Unified is a Basic Aid school district. LHS does not receive categorical funding, other than Title III which helps to pay for ELD supplemental materials.

18. Fiscal support (EPC)

Description of Barriers and Related School Goals

75% or more of the students at Leffingwell High School come from socio-economically disadvantaged households. Many students enrolled at LHS are credit deficient. A lack of parental support and involvement is a hinderance. Due to the small size of the school, data is not report from state test. The lack of state reported and small sample size makes it difficult to determine patterns.

Increasing overall academic achievement and success are goals of Leffingwell High School. Goals are based on local testing data (NWEA) and stakeholder input. Students receive an individualized instructional program based on graduation needs and interest.

School and Student Performance Data

CAASPP Results (All Students)

English Language Arts/Literacy

Overall Participation for All Students

Conclusions based on this data:

1. N/A due to lack of data

Planned Improvements in Student Performance

School Goal #1

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet student performance targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

SUBJECT: English Language Arts (ELA)
LEA GOAL:
English-Language Arts (ELA): Maximize student achievement in ELA/Social Sciences/Sciences.
SCHOOL GOAL #1:
Continue to increase and improve learning opportunities and credit-completion by students. Teachers will incorporate "Close reading" strategies, technical writing activities, English Language Learner strategies and individual instruction to advance student achievement, moving them toward college and career readiness.
Data Used to Form this Goal:
Credit completion, NWEA results, CAASPP results, student attendance, graduation rate
Findings from the Analysis of this Data:
Lefingwell had a 62.5% graduation rate. Our NWEA ELA Mean Rit Score is 219 and Math Rit Mean Score is 217.
How the School will Evaluate the Progress of this Goal:
Student achievement will be measured via credit completion, classwork, informative assessments, achievement on the CAASPP test (if reported), and NWEA results.

Actions to be Taken to Reach This Goal	Timeline	Person(s) Responsible	Proposed Expenditure(s)			
			Description	Type	Funding Source	Amount
Teachers, including the Leffingwell lead teacher, will continue to be trained in implementing District-wide literacy strategies through professional development.	8/23-6/24	District Administrators, Site administrator and ELA teachers	Professional Development	5800: Professional/Consulting Services And Operating Expenditures	General Fund	1,000
Articulation between Leffingwell teachers and CUHS staff occurs regularly. Materials are often shared.	8/23-6/24	District Administrators, Site administrator and ELA teacher	No additional cost to the District			0

Actions to be Taken to Reach This Goal	Timeline	Person(s) Responsible	Proposed Expenditure(s)			
			Description	Type	Funding Source	Amount
Student instruction is differentiated based on ELPAC and NWEA scores. Student scoring below a benchmark RIT Score is placed in an English class regardless of credits required for graduation. Students with proficient RIT scores are provided independent work to accelerate credit recovery if desired.	8/23-6/24	Site administrator and teacher	No additional cost to the District			0
ELA skills are reinforced with career technical reading (for example Culinary Arts and EMS curricula).	8/23-6/24	Site administrator and teacher	No additional cost to the District			0
Life science (environmental science and marine biology) are taught experientially with community involvement and as citizen scientists.	8/23-6/24	Site administrator and teacher	Transportation to and from field trips, admission fees	5000-5999: Services And Other Operating Expenditures	General Fund	1,500

Planned Improvements in Student Performance

School Goal #2

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet student performance targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

SUBJECT: Increase Student Achievement-Mathematics
LEA GOAL:
Mathematics: Maximize student achievement in Mathematics.
SCHOOL GOAL #2:
Maximize student achievement and credit completion in mathematics by implementing and monitoring the eight common core mathematical practices. Differentiation in math courses is based on student ability based on local assessment (NWEA), graduation needs and student interest.
Data Used to Form this Goal:
Credit completion in mathematics, NWEA data analysis.
Findings from the Analysis of this Data:
Students are completing the required coursework for graduation. Over half of the students are below the 21st percentile.
How the School will Evaluate the Progress of this Goal:
Student credit accumulation in mathematics, CAASPP assessment for 11th graders in the Spring of 2023 and analysis of NWEA data.

Actions to be Taken to Reach This Goal	Timeline	Person(s) Responsible	Proposed Expenditure(s)			
			Description	Type	Funding Source	Amount
Math curriculum is aligned with CUHS teachers. Leffingwell and CUHS teachers collaborate on teaching strategies and implementation of the curriculum.	8/23-6/24	Site/District Administrators, Mathematics Teachers	No additional cost to the District			0
Increased direct instruction with group classes for Algebra and Geometry.	8/23-6/24	Site Administrator, Mathematics Teacher	No additional cost to the District			0
Students increase mathematical competency by applying subject matter knowledge (e.g. geometry) to real-life applications (e.g. construction technology).	8/23-6/24	Site Administrator, Mathematics Teacher	No additional cost to the District			0

Planned Improvements in Student Performance

School Goal #3

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet student performance targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

SUBJECT: Maximize Student Achievement
LEA GOAL:
Continue to increase and improve learning opportunities for students to maximize student achievement
SCHOOL GOAL #3:
Increase student resiliency through academic and personal support and provide opportunities for Civic Learning
Data Used to Form this Goal:
Credit accumulation, graduation rate, community service opportunities, work experience opportunities. Parent and student input via parent-teacher conferences and survey.
Findings from the Analysis of this Data:
Students at LHS are given multiple opportunities to increase student achievement and resiliency.
How the School will Evaluate the Progress of this Goal:
Credit accumulation, graduation rate, community service opportunities, School-to-Work opportunities

Actions to be Taken to Reach This Goal	Timeline	Person(s) Responsible	Proposed Expenditure(s)			
			Description	Type	Funding Source	Amount
Expand community involvement through community service and work experience education	8/23 - 6/24	Site Administrator, academic counselor, teaching staff	Admin. and teaching staff	1000-1999: Certificated Personnel Salaries	Unrestricted	12,465.00
Continue the expansion and integration of extended learning opportunities through LHS, Cuesta College, community service experiences, school-to-work opportunities, and classroom activities and lessons (ex; Marine Biology project)	8/23-6/24	Site Administrator, academic counselor, teaching staff	Admin. and teaching staff	1000-1999: Certificated Personnel Salaries	Unrestricted	3,652.00

Actions to be Taken to Reach This Goal	Timeline	Person(s) Responsible	Proposed Expenditure(s)			
			Description	Type	Funding Source	Amount
Continue alignment of courses to State standards and CUHS courses to ensure consistency of curriculum	8/23-6/24	Site Administrator, academic counselor, teaching staff	No additional cost to District			0
Increase each students' developmental assets focusing on social and emotional growth. Teach and reinforce positive behaviors such as respect, attendance, hard work, and honesty in the Lifeskills course. Weekly group counseling sessions as well as individual sessions.	8/23-6/24	Site Administrator, academic counselor, teaching staff, social emotional counselor	No additional cost to District			0
Provide adult role models with teachers, staff, counselors, administrators and community members. Continue to provide a variety of counseling services and opportunities to help the students be prepared for college and career.	8/23-6/24	Site Administrator, academic counselor, teaching staff	No additional cost to District			0

Planned Improvements in Student Performance

School Goal #4

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet student performance targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

SUBJECT: Maximize Student Achievement
LEA GOAL:
Special Education: Maximize achievement of Students with Disabilities (SWD) and 504 Plans
SCHOOL GOAL #4:
Continue to develop literacy and mathematics intervention goals to meet individual student needs.
Data Used to Form this Goal:
CAASSP scores, NWEA scores and classroom formative assessments
Findings from the Analysis of this Data:
Enrollment of students with 504 plan continues to increase.
How the School will Evaluate the Progress of this Goal:
Evaluate ELA and mathematics programs, via quarterly benchmark assessments, teacher grades, and 504 Plan.

Actions to be Taken to Reach This Goal	Timeline	Person(s) Responsible	Proposed Expenditure(s)			
			Description	Type	Funding Source	Amount
504 students will receive support in their general education classes by school staff.	8/23-6/24	Teachers and administration	Teacher/No additional cost to District			0

Planned Improvements in Student Performance

School Goal #5

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet student performance targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

Centralized Services for Planned Improvements in Student Performance

The following actions and related expenditures support this site program goal and will be performed as a centralized service. Note: the total amount for each categorical program in this section must be aligned with the Consolidated Application.

Centralized Service Goal #1

SUBJECT: Centralized Services for Planned Improvements in Student Performance in English Language Arts (ELA)
SCHOOL GOAL #1:
Increase literacy skills of all students. For the 2023-24 school year, the proficiency level on the Common Core State Standards (CCSS) assessment for ELA will be monitored by NWEA assessment, classroom assessments, credit accumulation and graduation rates.

Actions to be Taken to Reach This Goal	Timeline	Person(s) Responsible	Proposed Expenditure(s)			
			Description	Type	Funding Source	Amount
The prominent strategy implemented is Close Reading across ELA and Social Studies courses along with a focus on English Language Learner strategies. Professional Development - District-Wide Professional Development with a focus on	8/23-6/24	Principal and ELA/ELD teachers and Administration		5000-5999: Services And Other Operating Expenditures	LCFF - Supplemental	3,750.00
Staff planning and articulation time - between Leffingwell and Coast Union.	8/23-6/24	Teachers and Administration	No additional cost to District			0

Centralized Services for Planned Improvements in Student Performance

Centralized Service Goal #2

SUBJECT: Centralized Services for Planned Improvements in Student Performance in Mathematics
SCHOOL GOAL #2:

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

Name of Members	Principal	Classroom Teacher	Other School Staff	Parent or Community Member	Secondary Students
Edward Arrigoni	X				
Justin Gish		X			
Scott Love		X			
Samantha Broussette			X		
Numbers of members of each category:	1	1	2	0	0

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The school site council (SSC) recommends this school plan and Proposed Expenditure(s) to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan **(Check those that apply)**:

State Compensatory Education Advisory Committee

Signature

English Learner Advisory Committee

Signature

Special Education Advisory Committee

Signature

Gifted and Talented Education Program Advisory Committee

Signature

District/School Liaison Team for schools in Program Improvement

Signature

Compensatory Education Advisory Committee

Signature

Departmental Advisory Committee (secondary)

Signature

Other committees established by the school or district (list):

Signature

4. The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.
5. This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.
6. This SPSA was adopted by the SSC at a public meeting on January 17, 2024.
