Early Childhood Day Camp

Weekly Themes

Week 1: Little Green Thumbs

Embark on an agricultural adventure at our farming week summer camp. Join us for an immersive experience where children will delve into the fundamentals of farming, learning hands-on skills such as planting seeds and understanding the distinctions between various fruits and vegetables. This week-long journey promises not only a fun-filled exploration of farming essentials but also cultivates a lifelong appreciation for sustainable and eco-friendly practices.

Week 2: Through the Ages

Campers will be transported through different eras, exploring the evolution of music, dance and fashion. Through lively dance sessions, music appreciation and hands-on activities like designing their fashion pieces, children will learn about each era's cultural significance and express their creativity vibrantly and engagingly. The highlight of the week will be a spectacular fashion show where campers showcase their unique designs, bringing the past to life in a dazzling display of style and imagination.

Week 3: S'more & More

From traditional camping activities like setting up tents and roasting marshmallows for s'mores to educational wildlife explorations, this week promises an unforgettable experience. Children will have the chance to connect with nature, learn about local flora and fauna and create lasting memories under the starlit sky. Get ready for a week of outdoor excitement, where the joy of camping and the magic of wildlife encounters combine for an enriching and s'more-filled experience.

Week 4: Prehistoric Pals

Young paleontologists-in-training will have the thrilling opportunity to uncover the mysteries of the ancient world through exciting dinosaur discoveries. From digging for fossils to interactive learning sessions on different dinosaur species, campers will be transported back in time to the age of colossal creatures.

Week 5: Superheroes

Join us for a week of courage, friendship and endless excitement as we save the day. Our little heroes will have the chance to craft a cape and make masks that will help them master super moves. Each child will have the opportunity to discover their inner superhero.

Week 6: Spy Kids

Campers will crack codes, follow clues and solve puzzles. They will hone their detective skills through exciting games and activities. Team up with fellow campers to unravel the camp's biggest mystery in an epic scavenger hunt. Budding detectives can sharpen their minds, forge new friendships and immerse themselves in the excitement of solving mysteries.

Week 7: Future Leaders Launchpad

Through hands-on activities, interactive workshops and inspiring talks from professionals across various fields, campers will gain valuable insights into the world of work. Join us for a week where every dream, aspiration and ambition are celebrated, proving that no job is too small on the journey to a fulfilling and successful future.

Week 8: Space Cadet Training

3, 2, 1 blast off into an adventure where future astronauts and scientists explore the cosmos. With rocket ship crafts, fun planet games and gentle moonwalks, campers will reach for the stars. Children will explore the cosmos through a series of cosmic challenges and astronaut simulations. They will learn about the solar system with stories and songs that make the universe come alive.

Week 9: Junior Bakers

Whisk into the world of sweetness. Our littlest chefs will whip up some delicious fun with easy, hands-on baking activities. They will create tasty treats that will tickle their taste buds. This camp is a perfect blend of fun and education by introducing the joy of baking to our youngest culinary enthusiasts while ensuring a safe and scrumptious experience. Bakers will learn about measurements and kitchen safety.

High School & Test Prep

Summer Health

Ages: Grades 9-12

Dates: May 30-June 19

Time: 9 a.m.-1 p.m.

Instructor: Beth Simmons, Assistant Athletic Director, SCDS

Cost: \$800

The course includes all material covered in the semester class and a variety of assignments, assessments, research project and final exam. The workload is heavy and requires extensive reading and memorization. Students are expected to: Work up to four hours each day outside of class time and should plan for full days of study over each weekend.

Bring snacks, drinks and lunch to class.

To receive course credit, students must have 60 hours of contact with the instructor. Students must be present for each session. Any student who misses more than 240 minutes (~1 day) for excused or unexcused reasons will not be eligible for course credit and will need to repeat the course during the school year.

HSPT Prep

Ages: Grade 8

Dates: July 29, 31, Aug. 2, 5, 7 & 9

Time: 9 a.m.-Noon

Instructor: Mike Fee, Upper School Counselor & Eric Unwin, Upper School Math Teacher, SCDS

Cost: \$390

Every November, the HSPT is given to thousands of Grade 8 students applying for admission into area Catholic high schools. The exam affects the admission process and scholarship opportunities for some schools. This preparation course will focus on test-taking strategies and content area instruction. Students will have some work to prepare in between the scheduled class times.

Dates: May 28-31

Time: 9:15 a.m.-Noon

Instructor: Lindsey Smith, Associate Director of College Counseling & Susan Miller, Senior Associate Director of College Counseling, SCDS

Cost: \$400

This class is designed for incoming seniors, especially those who plan to apply early to college and would like to get a head start on the application process. Learn what college admissions personnel are looking for in a college essay. Develop topics, outline, write, edit and revise college essays. Benefit from the knowledge and experience of college counseling experts. Enjoy a productive environment with motivated peers all working towards their personal goals. Students will have at least one college essay completed by the end of the course.

ACT Prep Class

Ages: Grade 9-12

Dates: July 8-12

Time: 9 a.m.-3 p.m.

Instructor: Dr. James Lipovsky & Phyllis Williamson, Upper School Teacher, SCDS

Cost: \$600

This one-week course is ideal for students in grades 9-12 who plan to take the ACT on July 13. The class meets on the five days leading into the test and will offer intensive preparation on all four sections of the ACT: English, Mathematics, Reading and Science. All students will receive valuable feedback and personalized instruction based on their relative strengths and weaknesses. The class will break for lunch. Though the six-hour class may seem long, it moves very quickly and energetically, and lets students cram all the work of a month-long evening course into one week.

Important Note: Students who take this class are strongly encouraged to sign up for the July 13 ACT. Registration is due by June 7 or late registration by June 21. Register at act.org.

Trips will be taken each day throughout our city to locations where service projects will be completed. Campers will not only lend a hand, but this week will also provide opportunities for leadership and personal growth. For those who need service hours, teachers will track and sign forms at the end of the week.

Technology

Build App Games

Ages: Grades 2-5 and Grades 6-8

Dates: June 24-28

Time: 9 a.m.-3 p.m.

Instructor: Vineyard App Camp Staff

Cost: \$350

In this camp, we'll dive into game development. Students will learn the fundamentals of game design, starting with HTML programming. During the camp, we will use AI technology for storytelling and image creation, infusing unlimited options into game creation. We'll also work on enhancing writing skills by coding trivia challenges and immersive choose-your-own-adventure games. Learners will have the opportunity to collaborate on a group game. Together, you'll practice the techniques learned throughout the course to craft a game that can be shared with friends and family. You don't need any previous experience or special software; you'll only need your creativity.

Real World Graphic Design

Dates: July 8-12

Instructor: Vineyard App Camp Staff

Cost: \$375

Interested in drawing, art, or design? In this camp, you'll learn how to use your doodling skills for design projects for local nonprofits or small businesses. You will learn how to make professional posters and art that people want to buy, and you'll ultimately design posters and ads for real organizations with good causes. Our students' work has been used in ads and online posts by the Special Olympics and Goodwill.

AI for Kids

Ages: Grades K-2 & Grades 3-6

Dates: June 3-7

Time: 9 a.m.-3 p.m.

Instructor: Vineyard App Camp Staff

Cost: \$375

We're now in a world where even very young students can use free-online AI tools to generate essays, stories and even music, television or games. Now, kids can cultivate their own creativity at young ages by doing projects like creating AI symphonies, working with partners and AI to create animated books and generating AI animations. Along the way, they'll gain access to a suite of tools that can help with homework in the future, build familiarity with the new AI world we're moving into, and – importantly – understand when and when not to use this powerful new tool.

Important Note: This is not a coding class.

IGknight

IGknight Summer

IGknight is also a wonderful tool for school readiness as children learn to socialize, take turns, and share along with all the wonderful benefits of music.

Extended Day

**Ages: Toddler-Grade 4
(Available to all camps)**

Dates: Monday-Friday June 3-Aug. 2

Times: Before Care, 8 a.m.-9 a.m.

After Care, 3 p.m.-5 p.m.

Cost: Before Care, \$50/week. After Care, \$100/week.

Instructor: Summit Summer team members

The Extended Day program is a childcare program which provides a safe, supervised and interactive environment for Summit Summer campers (Toddler-Grade 4). We want this time with the children to truly be an extension of their fun-filled day.

The Details

Sign In/Out: Campers must be dropped off and picked up in the carline (at the designated areas) by an authorized adult when they leave each day. If they are not picked up, they will be sent to after-camp care where a late fee will be assessed. This service ends by 4:30 p.m.

Extended Day: We offer childcare before and after camp for an additional fee. This care is from 8-9 a.m. and from 3-5 p.m. this option can be selected during online registration. Extended Day care is only offered for campers 18 months-Grade 4.

Dress: The appropriate dress for most days will be shorts, a T-shirt, tennis shoes and socks. Sandals are discouraged since they may pose a safety hazard with the gym or outside activities.

Snack: Snacks and drinks are provided throughout the day. If your child is staying all day, campers will need to bring a packed lunch and a drink.

Health Forms: All participants (including current Summit students) are required to have a current health form on file. Please complete the health information section on the registration site. It is the parent's responsibility to notify summer camp staff, via email, of any allergies or required medications. Please also confirm this at the time of drop off or by messaging the camp administrator at holbrook_s@summitcds.org.

Photographs: We will be taking many photographs of the children throughout the camps to use for future publications. Your summer registration includes a photo release that allows for us to do so, unless notified otherwise.

Waitlist: If a camp is full, you will be notified about the waitlist. You will be contacted if a space becomes available.

Cancellation: The Summit reserves the right to cancel any class or summer day camp. Fees will be refunded if a class or camp week is canceled.

Refund Policy: Refunds will only be granted if the request is made in writing (email) two weeks prior to the start of the camp to the summitsummer@summitcds.org. No refund or reduction in fees is possible for a child who arrives late, leaves early or attends only part of a session.
