### Discussion Item: Charter Dollar Expenditures Proposals

A. Our Charter Dollars went towards buying a .5 EIP teacher to support second grade as well as helping the entire school with interventions/testing.

### Informational Item: Principal's Update

A. **Budget Update-** The council approved to use the budget money to buy a .5 EIP teacher to support all grade levels during the hours of 8:15-12:15. The job has been officially posted, and we are looking to hire someone for this position.

- B. Semester Action Plan Review-** Mrs. Parham has been out to observe our school three times this semester. Our assessment data is aligning with how students typically perform on the Milestones assessment. We are working to increase scores to increase Milestones performance.
- C. Attendance-** Attendance is being closely monitored. While attendance has been decent this semester, it is starting to decline in the past two weeks leading up to Thanksgiving Break. Our administrative assistant, social worker, and school psychologist are working hard to make contact with these families to ensure students are coming to school when they are able to. We will be motivating students to come to school through “attendance wars”. Grade levels work to have the highest number of students have attend school during a month to earn a prize.
- D. Penny Wars-** We just finished the Penny War competition. Our school raised over \$850! Grades PK/K won the competition and earned a night event at Goldfish Swim School.

**Discussion Item: Draft Next Meeting Agenda**

- A. Discuss possible committees meeting (budget, outreach).
