Indiana state statute, I.C. 20-33-7.5, requires the school to contact the parents/guardians within (5) business days of a child requesting a change to the student's name, pronoun, title, or word to identify the student. Please note, this applies to nicknames as well as the use of shortened versions of a child's legal name (e.g. Jonathan to John). In an attempt to be pro-active, this year, parents/guardians have the opportunity to provide this permission and the corresponding information as part of the enrollment/registration process.

Directions: In order to give your child permission to be called by a name, pronoun, title, or word different from what appears on their birth certificate/official legal record, please complete the form below.
