MANTEO HIGH SCHOOL
2024-2025
Course Request Card

Instructions and Reminders:

- Refer to our Program of Studies for course descriptions at https://mhs.daretolearn.org/
- Place an X by your core content courses and rank your top seven (7) electives.
- When complete, you should have a total of at least 11 courses selected. Your bottom 3 ranked electives will be considered your alternate choices. (**Seniors must choose a minimum of 4 courses total based on future plans**)
- Your choice of classes next year must be taken very seriously. Please make thoughtful decisions about course requests. If you are scheduled into courses that were chosen, even alternates, schedule changes are unlikely.
- We recommend you communicate with your teachers and counselor when selecting courses for the 2024-2025 school year. Consider courses that will provide a challenging and successful educational experience. **Students who receive the course(s) they request may not be allowed to request a schedule change.** Due to class size restrictions, there are very few reasons a course may be changed once the schedule is set.
- **Athletic Eligibility (Scholastic Eligibility):** Based on N.C. High School Athletic Association policy, a student must have passed at least seventy (70) percent of the courses taken in the preceding semester.
