Physical Education Course Replacement (HS Only)

How do you anticipate the waiver will support the goals and initiatives at your school?

This waiver will support our students who participate in a wide range of extra-curricular activities at school. Our students have a wide range of activities available to them via athletics and the arts which allows our students to engage in physical fitness activities that promote healthy lifestyles. We want our students to have multiple opportunities to pursue their passions, and this PE waiver helps to support our students in that respect.

Please enter the date that the council concluded the required 30-day period of public comment.
