Safety/Security

Dr. Fluornnory opened up the meeting by discussing updates with safety procedures/protocols in Fulton County.

- Processes and procedures in place for safety of Fulton county schools
- Series of meetings with learning communities/ local first responders and FBI agents.
- Meetings to discuss how to keep our schools safe
- Main concern-Parkland incident
- Board- Executive action- dedicate funding to expand elementary school police
- Officers are assigned to elementary schools 2-3 times a week
- Main concern- custody issues within the schools
- Unarmed security
- Dedicated unit just for elementary patrol
- Additional staff for emergency operations/ Operations center- housed 24/7
- Emergency Response Protocol-Crisis Go/All schools must be trained on Crisis Go
- Second generation of camera-security system-DVRs /Camera system will be updated within the next two years

Item

- Results of Splosts funding that has occurred over the years reason for upgraded buildings in Fulton County
- Social Media Monitoring-Funds allocated
- SAMS – Social Asset Management System
- Tracks all social media posts-when things happen in schools it goes to the district security team
- Car break ins- deemed as not unique

CCRPI

2019/2019 CCRPI- 75.4

Mr. Hammonds discussed the breakdown of the CCRPI scoring

Scoring compared from the previous year

Students with disabilities compared to their general ed counterparts

Closing of gaps for Special Ed. students was a major reason for the low increase

Stonewall Tell ES Foundation

- Stonewall Tell ES Foundation will be re-activated by the end of October
- Department of Treasury will also be re-activated
- Non-Profit certification will support the progress of our school
- Our school will partner with other outside companies/corporations to help fund our school foundation

The items for the next SGC meeting were developed and established.

Meeting adjourned at 6:00 pm.
