# Specials Support Team Requests

The STES Specials Team encompasses six subject areas and two support services that assists the entire student body.

These reinforcements are in the following areas: literacy, mathematics, science, social studies, and Social Emotional Learning. Specials supports are not compartmentalized but are cross-curricular in nature and are deeply rooted in the

Georgia Standards of Excellence. To this we request the following for General Music, Visual Arts, Physical Education, Health, Talented and Gifted, Media, Spanish, and Science Technology Engineering and Mathematics (STEM).
