All school received \$46,390 in *Charter Dollars* to help them meet their strategic goals through local innovative solutions. Each Charter Dollar expenditure requires an SGC vote for approval, the completion of the [Charter Dollar Expenditure Form](#), and is subject to the same district guidelines that govern school cost center budgets. All Charter Dollars must be spent in the year in which they are received as they are intended to support our current student population, thus we encourage SGCs to start schedule discussions early in the year to plan for these expenditures as a way to ensure that all purchases are made prior to end-of-year spending deadlines.
