* The Governance Team will be hosting Cross Council meetings meant to support councils with the task of aligning their work for the school year to the strategic goals and initiatives of their specific school as well as those of the district. These sessions will offer members the opportunity to hear from other councils within their grade-bands and engage in discussions with the Governance &

Flexibility Team. The meetings will take place virtually on Microsoft Teams at the dates/times below. We encourage all SGCs to select at least two members to attend their grade-level meeting and represent their school.
