**WHEREAS**, the Board of Education, administrators, and educators of the Sun Prairie Area School District have committed to stand by our Black and Brown students, staff, and families, to speak out against statements of bigotry, social injustice, discrimination, racism, and hate, and to continuously work on the development and implementation of strategies and best practices that dismantle racism, bigotry, and ethnic oppression within all aspects of our schools and school district; and

**WHEREAS**, this year the Sun Prairie Area School District continues to partner with our buildings' Equity Teams, Black Student Unions, Community Schools, the City of Sun Prairie, and other community organizations to increase and expand on our efforts to celebrate Black History with appropriate programs, activities, and celebrations that focus on African Americans and the Arts and to honor the contributions and achievements of African American people in the United States by embracing the diverse thoughts and experiences that engage all of our students, staff, families and community members; and

**WHEREAS**, we know that one month is not sufficient to honor all the contributions and achievements of African American people in the United States and the school district will continue to partner with Community Schools, the City of Sun
