

## **Addendum #2 RFP 23/24 - 2 Student Proficiency and Growth Assessment System**

**Question:** The RFP timeline indicates questions will be accepted through Monday (03/18) and the addenda provided on or before Tuesday (03/19). To allow vendors adequate time to address and incorporate any changes to our proposal response that may be necessitated by the Q&A Addenda, would the District consider extending the deadline for final sealed bids to be mailed to and received at its Central Administration Building?

**Answer:** At this time we do not foresee extending the proposal due date.
