Classroom Placement Consideration**

Our goal in the Issaquah School District is to provide a successful learning experience for all students. The following criteria are considered in placing students in classrooms.

- | | | | |
|---|---------------------------|---|---|
| * | program needs of students | * | behavior factors |
| * | classroom configuration | * | motivation of students |
| * | social needs of students | * | balance of achievement levels |
| * | compatibility of students | * | information provided by current teacher |

- a. **Parent input will be taken between March 13 and April 17.**
- b. **Please return to: Seung Park- ParkS@issaquah.wednet.edu and Jane Harris- Harrisj@issaquah.wednet.edu**
- c. **By completing the following information, you can help assist us in making the most appropriate class placement for your student.**
- d. **Please DO NOT request a particular teacher by name. We don't consider these requests, as it creates limits for setting up classes and does result in unbalanced classrooms.**
- e. **We will take your information into consideration, but please understand it is not possible to meet every parent request as we place over 500 students.**

1. Describe specific academic needs of your child. For example, IEP, 504, ELL qualification.

2. Describe any social/emotional needs or personality traits that may affect your child's placement.
