

The Bowling Green City School District Board of Education (“Owner”) is seeking construction manager at-risk services. The project scope includes a new 150,000 SF High School building located on the same site as the existing high school and middle school buildings. The project has high-performance design goals and has a goal to utilize ground source heating and cooling. The existing high school will be partially demolished, and the portion to remain will receive a new entry addition and renovations internally. There will be new parking and site upgrades to support the new Bowling Green HS and MS campus. Please refer to the Educational Facility Master Plan located on the district webpage at <https://www.bgcs.k12.oh.us/district/superintendent/facilities-planning> for more details. Interested firms can submit statements of qualification electronically to Dr. Ted Haselman, Superintendent by 2:00 p.m. on April 19, 2024. Submissions should be sent to, and additional instructions and award criteria are available on request from [thaselman@bgcs.k12.oh.us](mailto:thaselman@bgcs.k12.oh.us).
