Subject: First Interim Report

The First Interim Report is the first state mandated step in the process of reviewing and monitoring the District's budget. This report provides a snapshot of the activity from July 1 through October 31. The budget is a living document that will continue to be monitored and revised throughout the year, as assumptions change or actual allocations of funding or expenditures become known.

At this time, the District is reporting the changes that have been incorporated in the budget since the estimated actual budget revisions were approved. These revisions will comprise the new board approved operating budget. A summary of the budget revisions follows.

GENERAL FUND

Revenues

Local Control Funding Formula (LCFF) Sources **$ (664,558)**

Estimated Average Daily Apportionment (ADA) is 2,017. Preliminary CBEDS enrollment is 2,264, 82 less students than prior year. The District is experiencing the second year of declining enrollment. It is anticipated that ADA will be funded at 2,142 ADA using an average of the three prior years. By using the prior three year method, ADA receives a positive artificial bump due to the COVID relief funds received in 2021-22. LCFF funding allocates revenue at $12,015 per ADA for the base grant, $312 per ADA for Career Technical Education and $3,995 per ADA for 80% of the student population identified as low income, foster, homeless or an English Learner. The decrease in LCFF funding is the result of fewer students qualifying for Supplemental and Concentration grant funding than anticipated when the Original Budget funding was estimated.

Federal Revenue **$ 398,372**

After closing the prior year financials, unused or deferred categorical funding is added to current year revenues.

Other State Revenues **$ 1,692,173**

Unused or deferred categorical funding from the prior year is added to current year. The Arts and Music Block grant was adjusted to reflect the final apportionment. Proposition 28 Arts and Music, approved by the voters to supplement the Arts and Music program, is added to this category. Funding is also increased for prior year Transportation excess cost reimbursements, additional School Bus Emissions grants and a partnership with Butte County Office of Education to improve the wellness centers.

Other Local Revenues **$ 15,544**

The variance reported in this revenue source is the net effect of an increase in estimated interest earnings, a decrease in Special Education funding, a decrease in estimated reimbursements from the elementary district for transportation and a decrease in K12 Strong Workforce revenue. Receipts of Medi-cal Administrative Activities payments and a class action lawsuit settlement are added as one-time income.

Transfers In **$ 0**

Other Sources **$ 0**

Expenditures

Certificated Salaries **$ 412,628**

Certificated staffing costs are adjusted to actual from projected costs as vacancies are filled. Two additional Special Education teachers were added to the FOCUS program at Las Plumas. The salary schedule for the administrative group is restructured. Sixth period option assignments are reflected in this increase, as well as the addition of salaries for the Proposition 28 Arts and Music grant (80% of this grant is required to be spent on increasing staff).

Classified Salaries **$ (67,188)**

Classified staffing costs are adjusted to actual from projected costs as vacancies are filled. Savings from unfilled positions are reflected in this change. The District is contracting out for para-educators to temporarily fill vacancies in the FOCUS and ATC programs.

Employee Benefits **$ 4,456**

Statutory benefits changes result from salary changes mentioned above. Savings from unfilled vacancies and extended leaves are also captured for this revision. Several para-educator vacancies were not filled and the duties are being covered by contracted services for which benefits are not applicable.

Books and Supplies **$ 858,799**

The increase in this category is associated with incorporating the carryover and related expenditure of funds from prior year. Additions of books and supplies are made to the Arts and Music Block Grant expenditures, Proposition 28 Arts and Music supplies and improvements to the wellness centers.

Services and Other Operating Expenditures **$ 884,680**

The increase in this category is associated with incorporating the carryover and related expenditure of funds from prior year. Additions to services also include new or increases in costs for contracted para-educators, as vacancies remain unfilled. Expenditures also include building and site improvements that are funded from one-time funding sources, digital instructional resources and a contract for community involvement activities.

Capital Outlay **$ 1,914,276**

Expenditures include building and site improvements funded with one-time sources. Excess costs related to putting HVAC in the OHS Ceramics room will be financed by the Arts and Music Block Grant. Buses to be purchased with Low Emissions Bus grants are also included in this increase.

Other Outgo **$ (173,485)**

The adjustment of estimated Special Education bill backs.

Indirect Costs **$ 3,354**

The recalculation of indirect costs that can be charged to restricted programs.

Transfers Out To Other Funds **$ 0**

Reserves

Unrestricted ending fund balance is estimated to be $16,774,460. $1,050 is classified as nonspendable and is attributed to the revolving fund cash balance. $38,644 is set aside for future vehicle replacement. $46,132 has been donated towards an athletic field lighting project. $9,734,606 (17%) of unrestricted funds are set aside in accordance with BP 3100. $6,954,028 remains unassigned. Excess reserves above the state requirement of 3% exist for:

- Protection during declining enrollment. Enrollment has declined in the current and first prior year. While projections indicate that enrollment will increase in the near future, charter schools continue to compete for district students. It is difficult to implement budget reductions in proportion to the loss in revenue in perfect coordination with the loss of students. Excess reserves allow time to properly plan for budget reductions, and in some cases, wait out the loss of enrollment without making budget adjustments.

- Differences in actual LCFF funding from projections. For funding calculations, enrollment, average daily attendance and unduplicated counts are not finalized until April of each fiscal year. Reserves allow the District to temporarily absorb funding decreases when actuals fall below estimates.

- Repair and maintenance of aging facilities and bus fleet. Reserves allow the District to meet its obligations when a building needs an unplanned repair, technology equipment fails or a bus goes down.

- To keep current with advances in technology and replace aging equipment.

- To address safety concerns.

- To fund current year salary and benefit settlements with employee groups.

- Legal matters.

- Volatility in state funding or general economic conditions. In past years, the District has suffered drastic cuts in state funding and has been subjected to unplanned reductions in funding (mid-year cuts or deferrals of program payments). The State also has a history of deferring apportionment payments unexpectedly when it runs out of cash. As reserves are difficult to build during tough times, having a reserve over the state minimum insures that obligations can continue to be met.

- Unplanned needs of special education students. The district must have financial resources available to allow the flexibility to meet the needs for appropriate educational services for this group. As students and/or interventions frequently change, it is difficult to accurately project expenditures each year.

OTHER FUNDS

Adult Education Fund

Revenues are decreased to reflect the final allocation of WIOA funding, as well as the funding level for the E-rate program. Salaries and Benefits are adjusted to reflect current staffing levels. Certificated salaries and benefits include a savings as the administrator was used as an interim principal at Las Plumas for the first part of the year. Services and Other Operating Expenditures include software license purchases and contractors providing instruction for adult career training programs.

Cafeteria Fund

Revenue estimates were increased based on year-to-date activity. Salaries and Benefits are adjusted to reflect current staffing levels. Employee benefits declined disproportionally to salaries. Health and retirement benefits were removed for ineligible employees. Food costs are increased due to the increase in projected meals to be served.

Capital Facilities Fund

Developer fee revenue has been increased for anticipated tax and interest revenue based on year-to-date activity. Outside shade structures to be placed at Las Plumas and Oroville High are included in anticipated Capital Outlay expenditures.

Bond Interest and Redemption Fund

Tax and interest revenue is increased based on year-to-date activity.

All Other Funds

No budget revisions are necessary for any of the remaining funds.

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD NOT MET - Enrollment projections have changed since budget adoption by more than two percent in any of the current year or two subsequent fiscal years. Provide reasons why the change(s) exceed the standard, a description of the methods and assumptions used in projecting enrollment, and what changes will be made to improve the accuracy of projections in this area.

Explanation:
(required if NOT met)

The budget year enrollment exceeded projections by 111 students. Projections were based on prior year enrollment for grades 9-11, plus prior year feeder school enrollment for 8th grade. The 111 student difference is an abnormal fluctuation attributed students re-engaging after experiencing prior years of distance and/or hybrid learning schedules.

3. CRITERION: ADA to Enrollment

STANDARD: Projected second period (P-2) average daily attendance (ADA) to enrollment ratio for any of the current fiscal year or two subsequent fiscal years has not increased from the historical average ratio from the three prior fiscal years by more than one half of one percent (0.5%).
