

C & C KIDS CAMP FUN AT CAMP DAVID JR.

Campers will enjoy the outdoors, learn new skills, and discover talents. They'll be encouraged to push their comfort zones, meet new and potentially life-long friends, and try things they'd never thought of trying before. We are a tech free zone, there is no Wi-Fi or cell service on site. We hope campers can learn that being outside and unplugged from technology will allow them to embrace their childhood and make memories that will last a lifetime. We spend our time around campfires singing songs and sharing stories. Our cabin relay races, nature scavenger hunts and night games like capture the flag and Mission Impossible are exciting and action packed! Campers also enjoy hiking, canoeing and swimming in the crisp clean waters of Lake Crescent. Campers participate in enriching classes that are all held outdoors during their days as well. Our camps offer woodworking, archery, painting, outdoor survival, cooking, dance, sign language, tie dye, pottery, music, drama, arts/crafts, martial arts, team building games and challenges and more!
