Mr. Neil Maloof

- Background information
- Will not be able to tell us about what the next 5 years to Parklane Elementary
- Upgrade with some of the infrastructure
  - Possible: lights, HVAC system
  - Working with maintenance to get quick fixes
  - Issues with the restroom and the leaking roofs of the building and in the classroom.  
Discolored tiles on the ceiling in the hallways and the classrooms.  
Issues with the sinks in the restroom. Malfunctioning from time to time.
- Discussion about schools in the county and nothing much being said about Parklane.  
There is not look like there is much for the school. Second highest performing school in  
The Tri-Cities Cluster.
