* SY23-24 Council Initiatives: Begin discussions to determine the focus of the council's upcoming work. Lean on your school's Semester Action Plan to ensure the work of the council is aligned with the goals and initiatives being targeted by the school leaders. Task the council with prioritizing 1 – 2 initiatives the SGC could lead or support throughout the year.

* All schools should have received \$46,390 in Charter Dollars. See the Charter Dollar Spending Matrix for recommended purchases.

** Website Audits: Councils are encouraged to review their SGC website audit results (sent to council members in early October).

Norms: Start/end on time | Call/email members when the agenda is posted | All members have their FCS email address set up for communication | Communicate with chair if absence is going to occur | Respect all members opinions
