1. Committee and Charter Dollars discussions were both moved to the next meeting in September
2. Principal Update: Phase 1 will begin the week after Labor Day and include 90 minutes of F2F time for kids K-2; day of week based on last name. No more than 4 students will be in the classroom. Masks will be required, no lunch, no personal devices, and schedules will remain the same for all other students. Fulton

County will skip Phase II and move directly to Phase III by the end of September, which will include 1 full day of F2F per week. The deadline for the 10-day count is September 14th and the county is taking into account that the number of students are artificially low.
