Andy Allison proposed using awarded Charter Dollars of \$34,960.80 toward EIP personnel.

The motion was approved unanimously.

Mr. Allison also notified the council of two upcoming changes:

1) The teachers requested to push back October parent-teacher conference dates to November/December, and Mr. Allison approved.

2) Mr. Allison also approved reducing the number of P/E classes to 7X per month from 8X to accommodate counseling sessions (1X per month). Currently, students are taken out of instructional classes to attend the counseling sessions. The new policy will increase instruction time and decrease the amount of time students spend in P/E where it is harder to socially distance.
