Discussion Item – Remote Learning Update

Dr. Cheatham provided info regarding back to school. Faculty and staff were welcomed back on Monday, August 3, 2020. As a community we will go week to week and make adjustments as needed. The first week will focus on “getting to know you” as well as troubleshooting the platforms. Grades 3-5 had a drive thru today for meeting teachers and picking up supplies and devices. KG-2 will occur tomorrow, 8/12/20. Devices for second grade have been requested but will likely not be available until after Labor Day.

Discussion Item – Principal’s Update

Dr. Cheatham shared updates about the math goal, that was discussed at the last meeting: “95% of 5th grade students will perform at proficient or distinguished levels in math.” We had intended the goal to be part of the strategic plan. Currently, we will keep this goal internal as the strategic plan is due to expire in the next term and changes are likely.

Drive thru plans for device and supply pick ups has gone smoothly. There will be a second opportunity for device pick up on Friday, 8/14/20 (8a-10a) for those who could not make it for the drive thru. This is also available for those who did not pre-register for a device. Yearbooks, for those students who have withdrawn, will be available on 8/12/20.

Packets are available for learning, for those families who request them.

PTO was able to provide several meals during pre-planning, as well as some financial assistance for classrooms. Items to consider were webcams, organizational items, monitors, air purifiers.

Welcome to the new AP, Mr. Johnson!

Discussion Item – PTO Update

Victoria Tucker shared updates including several fundraising opportunities currently: Oliver's Labels and Mabel's Labels, Spirit Wear sales, Community Partner Renewals (\$1300 so far), PTO membership drive (\$1000 so far). PTO will be providing seat bags for classrooms. There will be a PTO board meeting next week, however the general meeting will be held after Labor Day.

Discussion Item – Empathy Protocol

SGC members engaged in 10-15 minutes of discussion regarding personal feelings regarding the current climate, Covid-19 etc. This discussion will be used to help direct future meetings in a positive way.
