Capital Improvements Update -

Dr. Davis updated the board on CTS, scheduling, and improvement projects around the district.

Preliminary 2019-2020 Budget, Discussion

The board annually approves a budget for the upcoming school year. Board members were given the budget in April and May to review. It is scheduled to be approved at the June meeting.

Summer Board Workshop, June 18th & 20th, 5-8 p.m.

The board is scheduled for a summer board workshop on June 18th & June 20th from 5:00 p.m. to 8:00 p.m. The workshop is an opportunity for the superintendent and the board to dialogue about the vision and goals of the district.

Related Services Bid

Each year, the district accepts bids for occupational therapy, physical therapy, and speech therapy services. Amy Ross recommended to the board to accept the bid from Ozarks Medical Center Rehabilitation Services as the related service provider for the 2019-2020 school year. The board approved the bid.

Salary Committee Proposal

The salary committee proposed horizontal and vertical movement to the salary schedule. The board will review and determine at the next meeting.

Financial Update

Revenues for the district continue to come in stronger than anticipated. This is primarily due to the districts continued growth. A budget adjustment will be made in June to reflect the changes.
