

## **West Plains School District Board Update**

March 24, 2020

### **Academics - Continued Learning Packets**

Teachers and staff around the district developed review learning packets for students. We understand that school cannot be replicated, and we realize this is not a substitute for classroom instruction. Still, we hope it will provide structure and normalcy, as well as continuity of learning and connection to our students.

Continued Learning Packets pick up was available this week. If parents were unable to pick up packets this week, please call 256-6155 to make other arrangements.

Please note – We are working to make the packets downloadable on our district website. We hope to implement an online Continued Learning Page early next week. We will communicate this information once it is available.

### **Bus Inspection Update**

The Missouri State Highway Patrol conducted an annual inspection on the district school buses in February. The district received a 96%. While the district did not receive a 100% pass rate, we were well over the 90% target rate. Any issues identified were minor and have been addressed.

### **MSBA Policy Updates, 1<sup>st</sup> Read**

Each year, the school board reviews policy recommendations and adjusts as needed. Board members were given the annual MSBA Board policy update to review. These policies are scheduled to be approved at the next meeting.

### **Hires:**

Ryan Evans - High School Science  
Heather Poindexter - High School Social Studies

The next board meeting is scheduled for Tuesday, April 21st, at 5:00 p.m. at the West Plains Elementary.

*School board meetings are held monthly on the third Tuesday of each month at the West Plains High School library, unless otherwise posted.*
