# Summer School

The programme includes four weeks of games and activities, each inspired by a different theme. Activities and games are specially designed to meet the needs of the little ones. Additionally, each week will feature craft and science activities, along with books, songs, and poems related to the topic. Children will also engage in small world and imaginative play.

1-5 July	<b>Mystery Week</b>
8-12 July	<b>Critter Connection</b>
15-19 July	<b>Rumble in the Jungle</b>
22-26 July	<b>Oceans</b>
