

**Emmett High School
Board Report
February 2024**

National Signing Day

I am pleased to announce that Emmett High School had four of its senior athletes sign letters of intent to further their athletic careers at the college level. Two of our softball players will go on to play college softball, one of our football players will go on, and one of our lacrosse players will go on. Congratulations to these players and their coaches! On a side note, we plan to have a few more seniors sign, it just hasn't happened yet.

Bleacher Project Update

As I reported in January, the bleacher project is well underway. The flat work is done, and the bleachers are slowly being erected. I suspect that this project will be completed in the next couple of weeks.

Testing Schedule

As we move into the spring, our juniors will have a series of high stakes tests to complete. First and foremost, our juniors will take the SAT on March 26. In years past, all of our juniors were required to take the SAT; however, this year, only those juniors with aspirations to go on to college will be testing. Approximately 50% of our juniors have elected to take the SAT. For those juniors not taking the SAT, they will have a normal day of school. Our testing schedule is below.

March 26	SAT Testing for 11th graders who signed up
April 15 (A)	◆ 11th grade Science ISAT *during class periods
16 (B)	◆ 11th grade Science ISAT *during class periods
17-19	◆ 11th grade non-science Room 307 ◆ Science makeups Room 307 *students will be pulled from classes
April 22 (A)	◆ 11th grade English CAT *during class periods
23 (B)	◆ 11th grade English CAT *during class periods
24 (A)	◆ 11th grade English PT *during class periods
25 (B)	◆ 11th grade English PT *during class periods
26 (A)	◆ CAT & PT makeups Room 307 *students will be pulled from classes
April 22 (A)	◆ 11th grade Math CAT *during class periods
23 (B)	◆ 11th grade Math CAT *during class periods
24 (A)	◆ 11th grade Math PT *during class periods
25 (B)	◆ 11th grade Math PT *during class periods
26 (A)	◆ CAT & PT makeups Room 307 *students will be pulled from classes

May 6-17

◆ ISAT makeups Room 307
***students will be pulled from classes**

Hiring

So far, EHS has had four certified positions open up. We have gone through the interview process and will be recommending two candidates for hire. Those positions are for physical education and math. We still have a social studies position and a science position to hire.

College and Career Day

On March 1st, EHS hosted a college and career day. We are very thankful that we had so many community members and business owners give presentations to our students. I also want to give a shout out to Kaloni Hall and Maria Gonzales for hosting this event. The planning and preparation for such a huge undertaking is daunting. Thank you to everyone.
