

Adamsville Families,

We are implementing a clear and concise set of school rules called the 3 Be's:

1. Be kind and respectful!
2. Be ready and responsible!
3. Be a problem solver and do your best!

These simple expectations are positively stated and will foster every day discussions about the ways we need to conduct ourselves. We want students to do the right thing because it is the right thing. We also want to make it fun and rewarding for them to focus on positive behavior.

To build excitement and reward positive behavior, we are also rolling out a reward system in which students can receive Positive Action Tickets (Scottie PATs) when they are 'caught being good'. When students earn a Scottie PAT, they will turn in one part of the ticket for entry in to an end-of-quarter raffle. The other part will be posted on a bulletin board in the cafeteria, so we can celebrate all of our positive actions.

Please encourage your children to follow the 3 Be's and to make our school the best it can be!
