Meeting #5

Inclusive Welcome

A scenic winter landscape featuring a stone bridge over a river, snow-covered trees, and mountains in the background. The scene is captured in a wide-angle shot, with the bridge and surrounding forest reflected in the calm water. The sky is filled with soft, white clouds, and the overall atmosphere is peaceful and serene.

What is your favorite thing about winter?

Feedback from previous meeting (11/9)

Flexibility! As a group we found our way as we went. All voices had a place and felt respected.

Wendy, you are an amazing facilitator! You do such a great job balancing the discussion and feedback.

We worked really well together as a group in researching and narrowing down our curriculum choices. Well paced. Delicious Chipotle! Loved working with a partner and groups to help finalize our choices. Good amount of breaks.

I think we worked really well as a team today to sift through all of the curriculum.

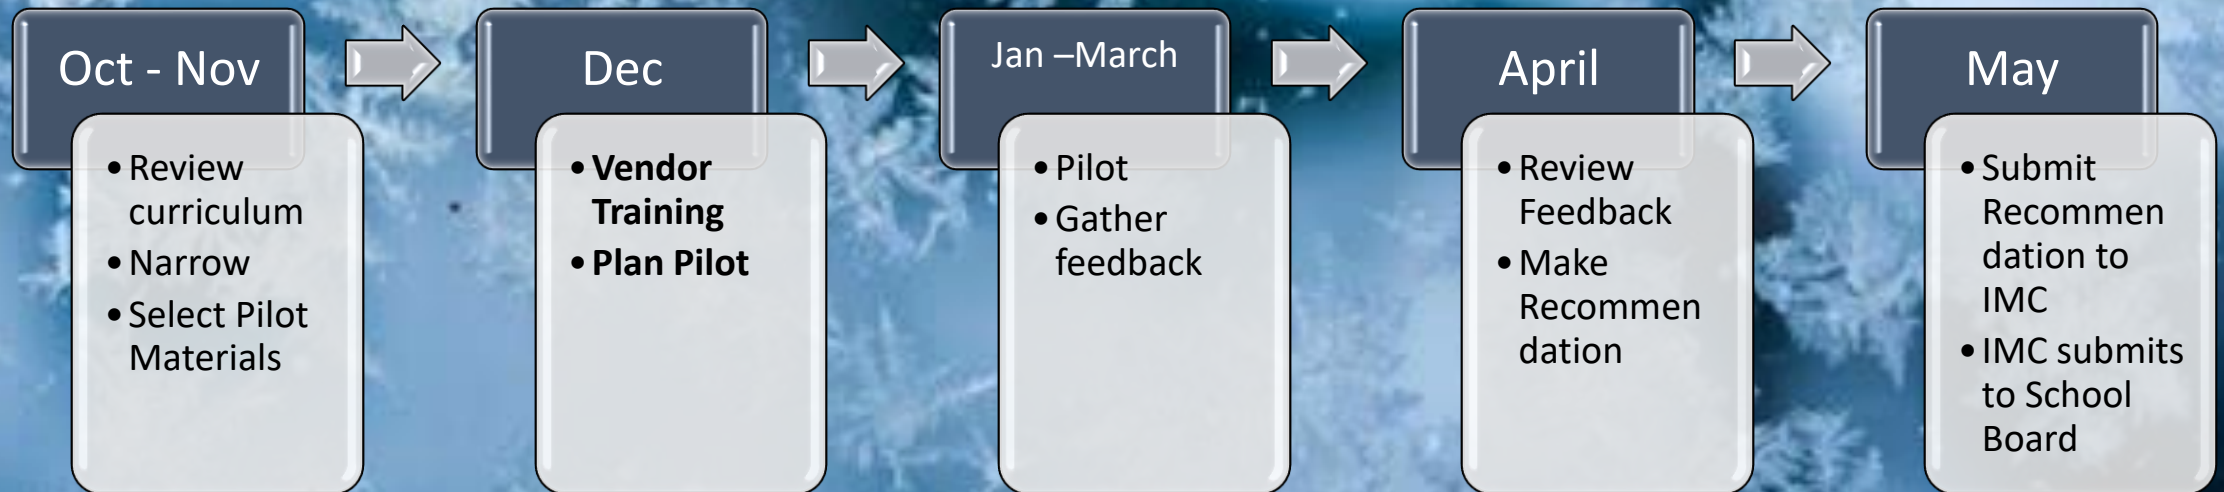

It felt really productive! I'm feeling really good about the pilot now.

Efficient system for narrowing down options.

It felt very productive and I'm excited to learn more about our 3 curriculums

Awesome session. Love this team.

January-Feb-March Pilot

A stack of rolled-up newspapers, likely from the Italian press, is shown in a dark, monochromatic setting. The newspapers are stacked in a way that shows the edges of many pages, creating a textured, layered appearance. The text 'Wrap Up!' is overlaid in the center in a clean, white, sans-serif font. Some legible text on the newspaper edges includes 'dente, era nell'ordine (...)', 'memoria non sono il gesto di Bara...', 'Ma ci sarà quello che trascinerà...', 'bibica e il timido, ossia il pane, la...', 'come la pizza, precisamente i...', 'zione di coraggio e civiltà...', and 'Raffa e Fontana alle pagine 7 e 8'.
