## **FREQUENTLY ASKED QUESTIONS**

### **WHAT IS CAREER TECHNICAL EDUCATION?**

Career Technical Education, or CTE, is a program of study that involves a multiyear sequence of courses that integrates core academic knowledge with technical and occupational knowledge to provide students with a pathway to post-secondary education and careers.

### **WHAT IS A CTE PATHWAY?**

A CTE pathway is a sequence of two or more CTE courses within a student's area of career interest. Pathways are designed to connect high school classes to college, industry certifications, and/or a career. Students must complete a full pathway of at least 300 hours in order to receive pathway credits. Pathways may consist of introductory, concentrator, and capstone courses.

**Introductory Course** - A CTE beginning level course that contains introductory concepts required to build foundational and general knowledge.

**Concentrator Course** - A CTE course beyond the introductory level that is intended to provide more in-depth instruction and exploration of a specific industry sector.

**Capstone Course** - The final course in a planned sequence of courses that provides a rigorous and intensive culmination of a course of study.

### **WHAT IS COMMUNITY CLASSROOM?**

Community Classroom is unpaid training at a job site. Training usually takes place during class hours. It is the responsibility of the student to secure transportation to and from the training site. Student must be at least 16 years old.

### **IS THERE A FEE FOR ROP CLASSES?**

As of July 1, 2015, BVROP is no longer direct-funded by the State of California. BVROP is now funded by our member districts, as a service provider supporting their local control accountability plans (LCAPs).

Our agreement with our member districts for these funds provides that ROP/CTE services are reserved for students attending high schools, continuation high schools, and alternative high schools belonging to Chaffey JUHSD, Chino Valley USD, Claremont USD, and Upland USD.

All other, grade 9-12, students or school entities may access BVROP services by contacting Trina Le, Coordinator-Assistant Principal (trina\_le@bvrop.org) to obtain the fee-for-service costs and registration protocol.

### **CAN I ENROLL IN MORE THAN ONE COURSE?**

Yes. You can enroll in multiple courses as long as the class schedules do not conflict.

### **WILL I RECEIVE A CERTIFICATE?**

Yes. You must earn a "C" or better at completion of your ROP class to receive a certificate.

### **CAN I RECEIVE COLLEGE CREDIT?**

Yes! Many CTE courses at BVROP have agreements in place to offer students college credit through various community colleges. Students earn college credit by completing specific requirements set forth in each class. The number of college units vary by class. Please refer to the CTE Pathways page, College Credits Information page, or contact your home high school Career Technician for more detailed information.

### **IS THERE AN AGE REQUIREMENT?**

Some classes have an age requirement. Courses which have requirements and/or prerequisites can be found under each course title.

### **CAN MY STUDENT ATTEND CLASS AT A DIFFERENT DISTRICT OR CAMPUS?**

Yes, if the course is available after school, in the evening, or on the weekends. If the desired course is offered during regular school hours, student must receive prior approval from the administrator of the campus where the class is being offered.
