

# Taft February Newsletter

## Superintendent Ernie Gonzalez

We want to thank our Superintendent Gonzalez for stopping by Taft and visiting our classrooms. Some students were able to share the work they were doing during class.

Thank you Superintendent Gonzalez for coming to Taft.

## NED Show

The kids were super excited to have the NED (Never give up, Encourage others, and Do your best) show come to our school. Students learned about Yet the Yeti and with the power of "YET" they can do anything. Our presenter was able to show them how to do awesome tricks with a Yo-Yo, like the bicycle.

## USC Fieldtrip

Our 5th & 6th grade AVID leadership team had the pleasure of touring the USC campus & attending a basketball game!

## Yo-Yos

If any student is interested in buying yo-yos, they will be on sale during lunch and after school from 2/29-3/8. Yo-yos range from \$10-18, yo-yo holders \$8, & an extra sting is \$6 CASH ONLY. Exact change is appreciated.
