Discussion Item: Spending the Balance of Charter Dollars

Mrs. Trigg led the committee in a discussion on how to spend the remaining charter dollars. The balance is \$5080.43. The committee discussed sending an email in January reminding teachers that we still have money left to spend. Angela Hornsby will send out the communication, that will include the amount left to spend and that it may be on a first come first served basis as long the request aligns with the goals.

Discussion Item: Student Government updated the committee on the Instagram account. It now has 1,000 followers. There have been a few questions regarding graduation: how many tickets per student and location. There were also a few questions regarding new student parking at school. Dr. Shaw said there will be more space and all spaces will be reshuffled between seniors and work based students. Some students also expressed that they felt the transgendered student population is not respected.

Informational Item: Principal Update

Dr. Shaw discussed the winter concert for the band orchestra and chorus were all wonderful. The flag football team won the first round of playoffs. The football team pulled off an amazing and unexpected win against North Cobb in the playoffs. Winter sports are in full swing, which include wrestling, swimming, and basketball. Discipline tardiness, and skipping are still high and backlogged. The search for the .5A admin job is still underway. Shop with a Hornet was a huge success. 30 children from Vickery Mills participated this year. They had a \$100 shopping spree and met Santa.
