Informational Item: Ice Breaker-

All members shared an interesting fact about themselves and why they joined SGC. Committee members shared about their families, school experiences, hobbies, career, and why they joined the committee. An appreciation and love for the Roswell community was a common expression, as was the desire to serve.

Action Item: Finalize Vacancy

Due to the vacancy created by Ms. Meredith Pierraud, there is no need to vote on the replacement candidate. Dr. Shaw introduced the newly appointed parent representative, Sheryl Clemente. Ms. Clemente's appointment fills the vacancy from Mrs. Pierraud.

Discussion Item:

The committee reviewed and discussed the district’s “3 Rocks” for the 2021-2022 school year, including: Relationships and Routines, Tier 1 Instruction, and Interventions. The committee also reviewed the mission statement for RHS, which is: to create a positive and safe learning environment, to foster the development of each student's potential, and to provide pathways to success after graduation. The committee then engaged in conversation around how the SGC money might best be spent. The question was raised about creating a plan to focus the funds on one area of the district’s initiative. The committee felt confident that teacher submissions would naturally fall into the category of one of the “3 Rocks”. The committee also reviewed challenge opportunities presented to the community during this school year. The committee discussed credit recovery being offered, and how important it is for seniors to take advantage of completing their course work.

Discussion Item: Student Members

The students shared updates about Tik Tok challenges and behavior. The Homecoming week activities went well, although Ms. Mulkey and Ms. Zeigler wish that more students had participated.

Discussion Item: Parent/Community Member

No discussion items were offered.

Discussion Item: Charter Dollar Submissions Review

Committee members received charter dollar requests prior to the meeting and had time to review the requests. All teacher requests were approved totally approximately 60K dollars. Submissions were presented from six staff members. All submissions were approved.
