- Meredith Pierard suggested that committees meet sometime before the next SGC meeting.
- Laura Hunter will add the new committee members to the One Drive so that they will be able to access information pertinent to the committee they serve on.
- Ms. Susan Murphy, who updates the website, will update the names of the committee members of the website.

### 2020-2021 School Year Meeting Schedule:

- SGC meetings will be scheduled once per month. They will be held at 4:00pm on every fourth Wednesday of the month.
- The following are the next four SGC meeting dates:
  - August 26, 2020
  - September 23, 2020
  - October 28, 2020
  - November 18, 2020

### **Principal Update:**

- Our electronic marquee is finally installed and operable. Dr. Shaw extended appreciation to everyone involved in the process of acquiring the marquee.
- We are still planning to have Kit Cummings' "Pop Club" implemented at RHS. The program will tackle many issues, including self-advocacy, self-respect and respect of others, and suicide awareness. The goal is to spread a positive culture at RHS. We are in need of a teacher to head the program.
- Plan for returning to school for the 2020-2021:
  - Dr. Shaw expressed that there are some things that we will be able to control and there are others that we will not be able to control (ie: it is not logistically possible to remain 6 feet apart in the building).
  - RHS has a back-to-school committee. This committee put together information to share with the administration. The administration, in turn put together a plan for the return to school that would work for faculty, staff, and students at RHS.
  - The mandate of mask wearing is a district decision. Right now, at RHS, students are encouraged to wear masks, but are not required to.
  - The deadline to choose between a face-to-face model, full-time virtual instruction, or a hybrid model is extended to 7/22/20.
  - RHS school counselors return to work on Monday, July 20<sup>th</sup>. They will be able to address scheduling questions and concerns then.
  - We have to have a plan in place for remote learning if the need arises. If remote learning is put in place in the Fall, it will be more structured and have more formal expectations than in the Spring.
- Dr. Shaw expressed that the school budget is driven by student enrollment. Therefore, we may have to adjust the budget due to students choosing to enroll in virtual school full-time.
- All information about Covid-19 changes often and we will have to make adjustments as needed.
- It has not been decided if teachers will teach from home or from the school building for remote learning. That information will come from the district.
- Fulton Virtual School may add Honors and AP courses. More information is forthcoming regarding course offerings.
- If a student takes four or more courses in virtual school, they will not be eligible to participate in extracurricular activities at RHS.

### **Public Comment:**

- Robin Liang stated that we should make it mandatory for students and faculty to wear masks. She also stated that once infected with Covid-19, and asymptomatic person can spread the virus.

**Next meeting date:** 8/26/20

- The next meeting may or may not be face-to-face. We will have to play it by ear and make that decision closer to the meeting date.

**Upcoming Agenda items:**

- The selection of student members.

**Adjourn at: 8:56AM**
