 - **PTO** - organized “Principal for the Day” in all of the buildings. It was a great way to celebrate the students and administration in the day in the life.
 - **Oxycocus** - The students started the month of January by celebrating 2024! The theme for the month was Winter. This helped students learn about winter weather and about winter animals and animals that hibernate. Students were excited by the visits from Blake the Therapy Dog. Students learned about diversity relating around Martin Luther King Day. Finally, we had a great “Principal for the Day, Willow”!
 - **PLC** - This month started with the PLC students learning about Martin Luther King and his many civil right advances and accomplishments. On January 19th we celebrated International Day with a parade of many countries and each class celebrated their country with traditional foods and activities. During the week of the 22nd – The PLC kicked off the Great Kindness Challenge! We shared many kind acts; reading to our preschool friends and each other’s classes, taking photos on our wall, I am the “I” in Kind. We were excited to be able to share this amazing event with our Kindergarteners, Preschoolers and community members! We finished off the week with Stafford Community/Staff/and Students creating a “domino” line of cereal boxes for the local food pantry. We raised over 600 Boxes of cereal for the Fulfill Food Bank of Ocean and Monmouth County!
 - **Ocean Acres** - The PK classes worked hard to create a Peaceful Protest to celebrate Martin Luther King Jr.’s birthday. Classes celebrated him and learned about his contributions to our nation’s history. The month ended with the students showing their school spirit during our annual OA Spirit

Week. From flannel wear to crazy hats, students got in the spirit and were happy to participate.

- **McKinley** - Held the first Community Art Night. Thank you to our art teacher, Mrs. Willadsen and the STEA for a successful night of dinner, painting and quality time with students/parents/staff. We had our annual winter concert on Thursday, January 18th. Over 200 students participated. The audience was treated to songs like "Mary Had a Little Lamb", "Twinkle, Twinkle Little Star" and several jazz standards like "Fly Me to The Moon". Kudos to Mrs. Wright, Ms. Myers, and Ms. Zuzic for providing all of us with an evening of delightful music! We also held our STEAM Night and had a great turnout with our families. The night was filled with multiple stations including roller coaster creations, snap circuits, green screens, build your own birdhouse, balloon racers, and so much more. Thank you to Mrs. Kilgallon for organizing our annual Family STEAM night.
- **Intermediate** - December was a fun month at Stafford Intermediate School. We kicked the month off with a parade to get everyone in the holiday spirit! The tricky Grinch tried to escape but thankfully the STPD got him. Our students performed in multiple concerts this month. We held chorus, band and strings concerts. What amazing shows. The Southern Regional Middle School students also came and performed for our Intermediate Iguanas. This month's team challenge was a Gingerbread House Contest. What creative students we have! We rounded out the month with a spirit week and ended with the Staff Holiday Show. Our students were impressed by the acting of their teachers!

RESOLUTION

WHEREAS, the Stafford Township School District currently transports 2,650 students in grades Preschool through Grade 6 in Stafford Township, Ocean County, New Jersey. Transportation is provided to resident students attending one of the Township's five public schools which include Oxycocus Elementary School, Ronald L. Meinders Primary Learning Center, Ocean Acres Elementary School, McKinley Avenue Elementary School, Stafford Intermediate School and various private before/aftercare centers and preschools. Transportation coverage spans 47 square miles in the Stafford Township Developments which include: Manahawkin, Ocean Acres, Beach Haven West, Cedar Bonnet, Colony Lakes, Warren Grove, West Creek, Deer Lake Park, Cedar Run, Mayetta, The Preserves, The Landings, Mud City, Route 72 East and West Corridor, Route 9 North and South Corridor encompassing Residential Homes, Townhomes, Mobile Home Parks, Low Income Housing, Waterfront Homes and Farm Houses.

WHEREAS, the Stafford Township School District has experienced a twenty (20%) increased growth in student enrollment since September 2020. This as a result of Pandemic migrations, new home builds and providing students in-classroom experiences during such time.
WHEREAS, School Bus Drivers remain a vital part of the education system. In Stafford Township most families rely on school transportation. Yet, the district is among the many schools throughout the state continuing to experience school bus driver shortages. Asking fewer bus drivers to pick up more students means longer routes, earlier or later morning pick-ups, and later drop-offs. These burdensome logistics increase the likelihood of a student missing school time and diminish their chances of participating in other activities; not to mention the additional burden it places on working parents trying to coordinate work and childcare schedules. These shortages also result in interruptions and instability that leads to the disruption of learning time for students.

WHEREAS, the shortage of school bus drivers with CDLs has severely impacted the ability of local districts across the state to meet the demand for adequate bus services to district students. That the Stafford Township School District remains competitive in compensation of School Bus Drivers and has invested in significant recruitment efforts to hire for this profession, inclusive of offering these professionals costs associated with hiring, training, as well as retaining school bus drivers with the requisite commercial driver license (CDL) endorsements. That despite these efforts our budgets are strained as a result of increases in transportation costs, and few people show any interest in making a commitment to become a qualified driver possessing CDLs and school bus driver related endorsements.

FURTHER, that Stafford Township in Southern Ocean County is a rural area with considerable distance between routes and that was in favor of the 2023 Senate and Assembly passage of S3203/A4835, yet The Governor did not sign or offer remedy to district transportation issues.

NOW, THEREFORE, BE IT RESOLVED, that the Stafford Township Board of Education, in the county of Ocean call upon the New Jersey Department of Education, New Jersey Division of Motor Vehicles, State Legislature, Governor Phil Murphy, New Jersey School Boards Association and School Transportation Supervisors of New Jersey Association, to act fairly to address the issue of this critical support staff shortage and to consider providing funding to help offset increasing wages and transportation costs.

Further, that the State of New Jersey revisit the CDL licensing requirements and endorsements in an effort to attract the general public to consider the profession of a school bus driver and make an investment to introduce state wide incentives and advertising to inform the public of the driver shortage.

RESOLVED, that the Stafford Township Board of Education in the County of Ocean urges the Governor and the Department of Education to dialogue with the Stafford Township School District officials and community to gather insight on the mounting frustration of the whole school community on the aforesaid.

RESOLVED, that a copy of this resolution be forwarded to Governor Murphy, State Treasurer Muoio, Senate President Scutari, Senate Majority Leader Ruiz, Senator Assembly Speaker Coughlin, Senator Connors, Senator Vin Gopal, Assembly Representative Myhre, Assembly Representative Rumpf, and the New Jersey School Board Association, New Jersey Department of Education, New Jersey Division of Motor Vehicles, State Legislature, School Transportation Supervisors of New Jersey Association, New Jersey Association of School Business Officials and Stafford Parent Teacher Organization.

A motion was made by Mr. Washco and seconded by Mrs. Strouse to approve Finance/Insurance/Transportation item(s) #1-19. Roll call vote item #1: six (6) members present voted yes; motion passed. Roll call vote item #2: five (5) members present voted yes; motion passed. Mr. Gioe abstained on item #2. Roll call vote items #3-19: six (6) members present voted yes; motion passed.
