DEPARTMENT OF HUMAN RESOURCES BULLETIN

AFLAC Plans

Eastern Suffolk BOCES currently offers AFLAC plans. These plans are available as a payroll deduction option for all eligible employees.

To request plan information and an enrollment form, please contact ESBOCES' representative, Gavin Meier directly at: (718) 423-6000 x214 or, (917) 903-0438.

- **AFLAC's** Supplemental Insurance Plans go above and beyond any current health insurance in place by paying cash directly to you. These plans assist with removing the financial stress an unforeseen accident or illness can put on your family.
- Premium costs are met through a pre-tax payroll deduction of monthly equal installments: (For 10-Month employees, deductions are taken out Sept. - June, recouping July and August in May and June).
- The plan benefits and premium rates that are established during employment are fully portable, going with you through retirement and are guaranteed renewable for life.

If you enroll and are approved for AFLAC, your premiums will be deducted from your paychecks on a monthly basis.
