

Music Department Report  
March 13, 2024

**From Mr. Ackerman:**

Things are falling into place for the elementary bands at both schools. They will begin combined, after school rehearsals in April.

At the Parent/Learning facilitator conferences in Paradise, a ukulele station was set up in the hallway. The young musicians were able to perform some chords and songs for their parents if they wished to. It was a success and had lots of 'traffic'.

**From Mr. Corrao:**

**From Mr. Bankert:**

The Chamber Singers (along with PV Brave Sounds) are heading to Warwick High School on Tuesday April 11 for a clinic with Dr. Robert Bigley from Lancaster Bible College. Dr. Bigley will work with several high school and middle school choirs from the county. After the clinics, the choirs will travel to the Trust Performing Arts Center in Lancaster for a concert. After each choir performs, they will join their voices together for a final performance of "Tshotsholoza"! This will be a great day of learning, music-making, and connecting with other students who share the same passion for singing and choral music.
