

Dear Parent/Guardian of Valley Christian students,

I am enclosing an Aurora City School calendar and emergency medical form for. Please compare our school calendar with your school calendar and note the days that Aurora City Schools are **not** in session. For the PM runs when Aurora is **not** in session we will return your student to Craddock at the end of the school day for parent pick up. **We do not do early dismissals.**

Please return the forms ASAP.

For the PM routes the children board at Valley Christian, then proceed to Craddock Elementary where they board their respective neighborhood buses home or picked up by parents.

The resident address of the child is taken into consideration when making the route. If your child is to be dropped off somewhere else, an Alternate Bus Stop form must be on file in our office. You can obtain one off the Aurora City School website. All stops are **not** located at individual homes; most are corner or group stops. **No bus passes are given to students who do not live in Aurora.**

- Medical emergency forms must be on file in the Transportation office prior to riding the buses.

If you have any questions please feel free to call the transportation department between the hours of 8:00 and 4:00 at 330-562-8017 on school days.
