1. [Miro](#) board: The link will be active and board accessible to the group participants to continue to add comments for two weeks (through March 29). Feedback may also be sent to Shel directly.
    - a. Wellness program priorities and goals draft review
    - b. Wellness program strategic plan brainstorming and review
  2. Close out/ next steps: At the close of the Miro board, Mykella will compile the information into a draft report. That will be sent out to the group in April, with the invitation for additional feedback so we get as many details as possible reflected correctly. The final report will be available in May and the implementation will be reflected in the program calendar, workshops and alignment development for 24-25.
- **Next BCCS Wellness Committee meeting:** Thursday, **April 18**, 7:30 - 8:30 a.m., virtual on Zoom:  
<https://us02web.zoom.us/j/81095627711>

We will return to our usual committee meeting format, with the focus on the annual program and policy implementation evaluation process, updates on the policy revision process update, 23-24 programs review and content and program planning for 24-25.
