SALT LAKE EDUCATION FOUNDATION

I'M COMMITTED TO EXCELLENCE

PAYROLL DEDUCTION FORM

Please join us in helping realize the promise of public education by contributing to the Salt Lake Education Foundation. Together we can provide crucial opportunities across the district and empower every student and educator to flourish. It's as easy as checking the box below. Your donation to the Salt Lake Education Foundation will help fuel success for every student, every classroom, every day.

Thanks to your generosity and support from community partners, the foundation provides financial assistance and programs for our students that would otherwise be unfunded.

If you return this form by December 15, 2023, you will be entered into random drawings for amazing prizes.*

Thank you!

- Elizabeth Grant, Ph.D., Superintendent
- James E. Yapias, Senior Director, Salt Lake Education Foundation
