ORANGEBURG COUNTY SCHOOL DISTRICT ANNOUNCES NEW ASSISTANT PRINCIPAL FOR LAKE MARION MIDDLE SCHOOL

ORANGEBURG, S.C. – Orangeburg County School District (OCSD) is pleased to announce Dr. Stacey Rock-Gilmore as the new Assistant Principal of the soon-to-open Lake Marion Middle School. Dr. Rock-Gilmore will join the leadership team alongside Principal Dr. Felisha Williams and Assistant Principal Mrs. Lynette Milhouse, playing a major role in shaping the educational experience for middle school students in the community.

Dr. Rock-Gilmore brings a wealth of experience to her new role, transitioning from her current position as a High School Counselor at Lake Marion High School. Her tenure at Lake Marion High School has been marked by her dedication to student progress, her ability to consult effectively with students and parents, and her skill in coordinating educational plans that support student success.

She earned her Doctor of Education degree from South Carolina State University in 2015, specializing in educational leadership. Her academic and professional journey also includes serving as a Middle School Counselor with Administrative Duties at Holly Hill-Roberts Middle School and as an English/Social Studies Teacher at Holly Hill Middle School.

"I am grateful for the opportunity to serve students, parents, and stakeholders at the "new" Lake Marion Middle School. All students are capable of learning, we must pour positive energy into our students and prepare them to become world-class citizens," said Dr. Stacey Rock-Gilmore.

Lake Marion Middle School is set to open its doors in August 2024, and the addition of Dr. Rock-Gilmore to the leadership team proves Orangeburg County School District's commitment to providing outstanding educational opportunities to its students. Her extensive background in counseling and education will be instrumental in developing a supportive and enriching environment for all students.

"I am excited for Dr. Rock-Gilmore to join our Lake Marion Middle School family! I am confident that she will embrace the responsibility of supporting student success, increasing teacher capacity, and fostering a positive learning environment. Together we will inspire, lead, and empower our students to achieve their dreams," said Dr. Felisha Williams.

Orangeburg County School District

The mission of Orangeburg County School District, the catalyst of innovation and excellence, is to ensure all students discover and develop their person, purpose, and platform through high-quality educational experiences distinguished by a culture of collaboration, equity, and inclusion; a creative learning environment with inspiring opportunities; a commitment to nurture the academic, physical, social and emotional well-being of all.
